SUMMARY

Creative and detail-oriented Associate UI/UX Designer with 1+ years of experience designing responsive websites, mobile apps, and user-centric interfaces. Skilled in Figma, Adobe XD, and prototyping, with strong knowledge of usability, accessibility, and design systems. Adept at collaborating with cross-functional teams to deliver high-quality, on-time digital solutions.

WORK EXPERIENCE

Associate UI/UX Designer – eSupport technologies (Pvt) Ltd | Boralla 03/2025 – Present

- Led the UI/UX design team and collaborated closely with developers, project managers, and stakeholders to deliver user-focused solutions.
- Designed responsive websites, mobile applications, and systems, focusing on improving user experience through clear navigation and modern, creative interfaces.
- Gathered client requirements and translated them into wireframes and high-fidelity prototypes, conducting usability testing to validate designs and enhance user experience.

Intern UI/UX Designer – VVH Solutions (Pvt) Ltd | Piliyandala 08/2024 – 03/2025

- Assisted in creating wireframes, mockups, and interactive prototypes using Figma and Adobe XD.
- Supported the user research process by preparing surveys and organizing usability testing sessions.
- Collaborated with the design team to develop responsive UI for web and mobile applications.
- Participated in brainstorming sessions, gaining hands-on experience in design sprints.

PROJECTS

Tourism & Hotel Website | [View Design](#)

- Designed tourism and hospitality platform with hotel, apartment, and tour package listings, single property view pages, and profile management features for seamless booking.
- Utilized wireframing and prototyping to create interactive screens and a complete functional prototype, enhancing usability and user experience.

E-Commerce Website & Mobile App | [View Design](#)

- Designed an e-commerce website including landing page, category page, shopping cart, wishlist, checkout, and profile details for a smooth shopping flow.
- Created prototypes to link pages into an interactive design and improve user experience.

Matrimonial Website , Mobile App & Admin Dashboard | [View Design](#)

- Designed a matrimonial website featuring user registration, profile creation, search and filter for matches, messaging system, and profile management pages.
- Created admin dashboard, including user verification, messaging, success stories management, and other settings, ensuring smooth management and usability.

E-Commerce Fashion Website | [View Design](#)

- Created an elegant and visually engaging UI design highlighting fashion collections, product categories, and trending items to capture user interest.
- Focused on a seamless shopping journey by designing intuitive navigation, product detail pages, and checkout flows to enhance user experience.

Gaming Website , Booking & Pos System | [View Design](#)

- Designed and prototyped a gaming website with booking options, event details, and POS features to enhance customer engagement.
- Developed an interconnected Booking & POS System for managing gaming stations, reservations, and snack/beverage sales, ensuring a seamless user experience.

Employee & Project Management System | [View Design](#)

- Design a complete UI/UX design for an Employee & Project Management System covering attendance tracking, task allocation, payroll, project assignment, expense management, quotation creation, and reporting modules.
- Built smooth navigation flows and interactive prototypes to ensure a seamless user experience for viewing, generating, and printing detailed summary reports.

Hiring & Delivery Mobile App | [View Design](#)

- Designed a comprehensive mobile app UI/UX prototype inspired by ride-hailing platforms, featuring ride booking, food delivery, and parcel services with real-time GPS tracking and secure payment options.
- Focused on delivering an intuitive, user-friendly interface to ensure seamless navigation, efficient booking, and enhanced user engagement across multiple service modules.

EDUCATION

Bsc.Hons in Information Systems (special) - Graduated

Rajarata University of Sri Lanka

May 2020 - Jul 2025

Diploma in Information Technology - Completed

ESOFT Metro Campus

Feb 2020 - Oct 2020

AAT Level 1 - Completed

AAT Sri Lanka

Jan 2017 - Sep 2017

O/I , A/L Acadamics

Gankanda Central College

May 2011 - Aug 2019

TECHNICAL SKILL

- | | |
|-----------------------------|-------------------------------|
| • UI/UX Design | • Responsive Design |
| • Wireframing & Prototyping | • Interaction Design |
| • Figma / Adobe XD | • Design Systems & Guidelines |
| • Usability Testing | • HTML, CSS, JavaScript |
